Subject: Question re: 303(d) list

Hi Jason,

Lee Decker emailed me and requested a copy of ADEQ's submittal of the 303(d) list. I'm planning to just send the 303(d) list and point him to the copy posted on ADEQ's website.

I was reviewing the electronic submittal (attached) to make sure it matched what is up on ADEQ's website and noticed that the website has one additional listing that the submittal did not (San Pedro River Dragoon Wash to Tres Alamos Wash 15050202-002, E. Coli 2010)- was this just an error that it was left off the official submittal? The AAR notice includes this listing, its only the 303(d) list submitted that does not.

Wanted to clarify as EPA's website directs folks to your website to view the 2010 303(d) list. I can check the hard copy at work tomorrow when I am back in the office.

I'm working at home and can be reached on my cell if you need: 415-272-0822

thanks!
Karin
